Subject Grant of margin land measuring 10' x 30'
in front of house No 115, 8th Cross, Chamarajapet
to Mrs Lakshmiddevamma

With reference to your memo No L 8300 dated 3-12-1946 forwarding the application of Mr C Samasastry on the above subject for a report, I have the honour to state that since the Executive Engineer, Bangalore City Municipality reported that the grant of this margin land would disturb the alignment of the buildings in that area and that it would also create a bad precedent for similar requests, the party was endorsed on 9-11-1946 that the land asked for could not be given

On 11-7-1946, the party presented an application to the President and on this the President said that it might go before the City Improvement Committee. Hence the matter has been placed before the City Improvement Committee and their decision in the matter will be communicated in due course. The application received with your Memo No L 8300 dated 3-12-1946 is herewith returned

I have the honour to be,
Sir,

violated ^{the building by-laws} ~~the rules~~ by putting up
the building before the
matter was finally disposed of.
I am therefore to request
